

Our Values

Guiding our decisions and actions.

Integrity

- Being ethical, honest and inspiring trust by linking our behaviors to our words and communicating with respect and candor. Accepting professional responsibility for our individual decisions and actions.
- Adhere to the highest level of confidentiality and respect for the collection and use of information.

Respect For People

- Embracing diversity and unique contributions of people.
- Respecting the intrinsic worth of all people.
- Treating others with dignity, respect and compassion to foster and facilitate inclusive work environments free of harassment, intimidation, bullying and unlawful discrimination.

Inspiring Transformation

- Touching the heart not just the head; where lives can be impacted and potential can flourish.
- Inspiring the deeper meaning of transformation in people and organizations to build sustainable outcomes and raises the quality of life for individuals, organizations, customers and society.

Networks

- Leveraging the power of diverse insight, relationships, collaboration, and learning to deliver exceptional service to our clients.

Client Value

- Enable client's success by ensuring high-performance, responsiveness and relevancy to them and their unique cultures and business challenges.

Community

- Taking responsibility to be a force for positive action – bringing together people, customers and organizations to contribute everyday so that tomorrow's communities can endure and thrive.

Code of Ethics/Conflict of Interest

We adhere to the highest standards of ethical and professional behavior. We comply with government standards and laws.

We strive to protect the interests of our stakeholders as well as our professional integrity and avoid engaging in activities that create actual, apparent, or potential conflicts of interest. We continually prioritize our obligations to identify conflicts of interest or any appearance thereof; and if conflicts should arise they will be disclosed to relevant stakeholders.
